About the Fund

Bank of India's Aggressive Hybrid Fund (Formerly Bank of India Mid & Small Cap Equity & Debt Fund) seeks to deliver long-term capital growth along with steady income. It primarily invests in a diversified mix of mid- and small-cap equities and related securities while also allocating to fixed-income instruments. By blending equity with debt along with residual allocation to other asset class, the fund aims to balance growth potential and income stability. The objective is to generate appreciation and regular returns through a well-rounded investment strategy.
