

Shape a Future for Growth!

Bank of India Flexi Cap Fund

About the Fund

Bank of India Flexi Cap Fund invests in large-cap, mid-cap, and small-cap stocks to generate long-term capital appreciation by predominantly investing in equity and equity-related securities. Under normal market conditions, the fund will invest 65% to 100% of assets in a diversified portfolio of large-cap, mid-cap, and small-cap companies with sustainable business models and potential for capital appreciation.
